**These materials were developed under a 21st Century Community Learning Centers grant awarded by the Michigan Department of Education.**

## MONDAY

### **Animal Investigators w/ Sandra**

Who's been here? We'll search for clues to find out which animals have been in our territory. We'll use our knowledge of animal characteristics to help us solve the mystery every week!

### **Team Sports Conditioning w/ Stephen**

Push yourself to the limit and brush up your skills. This team sports club takes hockey, basketball, and soccer to another level!

## WEDNESDAY

### **Game Show Nation w/Charlie**

Every week we experience a new game show from "The Voice" and "America's got Talent" to "Jeopardy."

### **Hip Hop Dance w/ Taylor**

After years of dance, Taylor is bringing hip hop class to South Range! Learn choreographed dances that will impress your friends!

## FRIDAY

### **Student Discovery Day**

Fridays the students set up their own environment and choose what they want to learn! Possible activities include hikes, sports, and the climbing wall. Join us!

## TUESDAY

### **Entrepreneurs of Cosmetology w/ Janel**

This club teaches students how to create their own cosmetology business. From business plans to marketing and customer service, you don't want to miss working for this salon!

### **Varsity Track w/ Stephen**

Try out track and field. This club has students explore different events every week. We will also create our own events for added fun!

## THURSDAY

### **Pirate Takeover with Sandra**

Come be a part of a pirate crew. Design your own jolly roger, make treasure chests to hide your booty, and create your own treasure map. Learn to speak like a pirate, and why eye patches were so popular.

### **Survival w/ Charlie**

Together we will build forts out of a variety of materials, learn to use a GPS, and find our way back! Do you have the skills to survive?

## EVERY DAY

### **Tutoring w/ Mr. Butler**

Mr. Butler makes learning fun! See first hand how our tutoring program can help you!
