This book is a history of the Adams Township Schools, covering a period from 1891 through 2010. Researching, documenting information and collecting photographs has been a two-year project. Our goal is to help fund scholarships for Academic, Technical and Vocational Careers, as well as to help fund pre-college summer programs and academic programs at the Jeffers High School.

All of the proceeds from the sale of this book go to the Adams Township School District Foundation, Inc. We are asking a donation of \$20 or more for the book, which is available at the Jeffers High School Library/Media Center. For your convenience, we will mail the book for an additional fee of \$5 for shipping and handling.
