

JEFFERS HIGH SCHOOL CLASSROOM SUPPLY LISTS

Geography:

- Colored pencils
- 3 ring binder if they are able.

Math 7 and 8 (Science 8 would be the same but without the calculator):

- Notebook
- 2-pocket folder
- Pencils and/or pens
- Book cover
- Scientific calculator – I recommend the Texas Instruments family of calculators because they are the most user-friendly. However, I do not recommend the TI-34II Explorer Plus, as some students have found it more difficult to use. A good scientific calculator can be purchased at any local discount store or online for \$10-\$20. Sometimes they can also be found at Goodwill, so keep your eyes open!

English 7 and 8:A college ruled composition notebook (not spiral bound)

- Pencils
- A pack of square post-it notes
- The following isn't required, but is recommended:
 - Four different colored highlighters

English 9 and 10:

- Notebook
- Folder

English 12:

- Two notebooks
- Folder,
- Book cover
- Pencils
- Colored pen (not blue or black)
- 300 note cards (usually one standard large pack has that)
- Package of standard sized sticky notes.

English 11:

- Same as English 12 except no book cover is needed

German 1, 2, and 3:

- Same as English 12 but no sticky notes needed

Biology

- Notebooks, folders and/or binder

9-12 grade Math classes:

- Scientific calculator
- Book cover
