April 6, 2020

Dear Parent/Guardian(s),

The Adams Township School District has been working to develop a plan that will allow your child to have the opportunity to be educated during the mandatory school closure that took effect on March 12, 2020. This plan will include multiple methods of delivery for students to access instructional materials. At this time, teachers are developing lessons that will be available on our website (adams.k12.mi.us) on April 9, 2020. If internet access is not available, we will work to ensure that all students have access to school materials. Your child will be contacted either through an email, phone call or online classroom by their teacher to ensure engagement through this closure. Materials will also be either mailed or dropped at your home if needed during the entire closure. Kindergarten through 3rd grade will have initial packets available for pickup on April 8 and 9 to coincide with personal belonging pickups.

Personal belongings and school supply returns will also take place on Wednesday and Thursday (April 8-9, 2020). Last names beginning with letters A-K will take place on Wednesday. Last names beginning with letters L-Z will take place on Thursday. Please report to the office of your building between the hours of 8 am and 2 pm. If you need to access the buildings after that date, please call the office (482-0599) to make an appointment.

We will experience some issues as we navigate through these unprecedented times. Our main goal for you and your child is to help bring back some sort of normalcy and provide a meaningful learning experience for the remainder of the school year.

Sincerely,

Tim Keteri - Superintendent

Steve Lishinski - High School Principal

Kim Harris - Elementary School Principal
