Ashley Sudderth, Trustee

January 29, 2021

Dear Parents,

Over the past few weeks, we have seen an increase in the number of positive Covid-19 cases within our community and high school. We are continually working to avoid unnecessary quarantines and we are asking for your help. If your child is masked at all times, it reduces the likelihood of a mandated quarantine. Below are the quarantine guidelines.

- If your child is unmasked in a classroom or common area and we are notified of a positive case, your child will be quarantined as determined by our local Health Department.
- If your child is masked, your child will be quarantined only if they are within six feet for more than 15 minutes.

We as a district value your child to have in-person instruction. We can achieve that by following this rule.

Sincerely,

Tim Keteri,
